Dear Roving Wolverines of Family Motor Coach Association,

On behalf of the United States Marine Corps, I thank you for your generous gift of \$500.00 to the members of Wounded Warrior Regiment. This contribution and commitment of support to the brave men and women who have so courageously stepped forward to defend and support our great Nation is truly admirable.

As the Commanding Officer of the Wounded Warrior Regiment, I have the privilege of caring for our wounded, ill, and injured Marines and Sailors attached to Marine Commands. At the Regiment, we provide programs and services to meet the unique needs of our Marines, Sailors and their families during the recovery process with the goal to enable a successful return to duty or transition to civilian life. These programs and services are wide-ranging and include benefits and financial counseling, athletic activities and competition, educational and employment counseling, and wholesome recreational activities.

The Regiment's programs and services enhanced by this contribution, enable our Marines, Sailors, and their families to continue to thrive as they focus on building new or stronger skills. These resilient Marines and Sailors have achieved remarkable goals. They have returned to duty, found civilian careers, become award winning athletes and given back to their communities in a myriad of ways. This generous gift will make a positive difference for them and their families.

Semper Fidelis & thank you!

Sincerely,

  
M. D. FOSTER  
Colonel, U.S. Marine Corps  
Commanding Officer
